Dear Don,

We are more than happy to recommend you and your company as a qualified, professional slate and roofing contractor in this area. The fact that you have done work for us for a long period of time would attest to that.

Your crew was very polite and neat. Work areas were cleaned up very well before you left the site. Because we are a church you had to work around our particular schedules.

Our beautiful church is a source of pride to us, our parishioners and our city. We would be pleased to recommend your work to anyone looking to get this type of work done with expertise and adherence to sometimes tight timelines.

Thank you,

Bruce K. Van Dee
