

To whom it may concern: Don Dennis and his team have done work on my slate roof in Norwich, N.Y. for the last 2 years. I have a stone home with a slate roof and I was referred to Don by "Rapp" Rappleyea who also has a slate roof. Don and his team deliver high quality service, fair pricing, meet all expectations concerning timing, price and workmanship and are professional in every sense of the word. I highly recommend Don and his team for any work associated with slate roofs. Sheldon Prentice.
